Clay County Public Health Center
(816) 476-4145 or (816) 781-1142

Objectives

1. To review adolescent psychosocial development, adolescent sexual behavior and the issue of adolescent pregnancy.
2. To describe how the above dynamics impact sexuality education program development.
3. To describe the positive implications of family involvement in the child's sexuality education.
4. To present a comprehensive family-oriented sexuality education curriculum.
5. To demonstrate teaching strategies/activities to promote factual learning and to enhance identification of personal values, positive self-esteem, decision-making skills and family communication.
6. To provide strategies for organizing and implementing a family-oriented sexuality education program in the community.

Continuing Education

University of Missouri Systems in Department of Human Development and Family Studies awards .60 Continuing Education Units for this program.

In conjunction with North Kansas City Hospital, this program has been approved for 6.5 contact hours by the Missouri Nurses Association which is accredited as an approver of continuing education in nursing by the American Nurses Association's Board on Accreditation.

An application has been submitted to SOPHE to award Category I CHES CECH. The Society for Public Health education Inc., (SOPHE) is a designated provider of Continuing Education Hours by the National Commission for health education Credentialing.

Supported in part by the Abstinence Education Grant Program from the Department of Health and Human Resources, Health Resources Administration, Administration for Children and Families and Missouri Department of Health and Senior Services, #C304015003.

Registration: Please mail registration form and check for \$75.00 per person payable to Clay County Public Health Center, ATTN: Kathleen Welton, 1940 W. Kansas, Liberty, MO 64068. Deadline is January 20, 2006. Registration fee includes lunch, curriculum manual, CEU's and materials. If no manual is needed, cost is \$25. Contact Kathleen Welton at (816) 476-4145 or 476-4121.
